The Benefits:

Instore Signage

Our instore signage package is designed to work on most shelving systems. If our standard signs don't fit your store, we can offer customised signage subject to approval by our marketing team and sales manager.

Enhanced Marketing

If we're attending a trade night at your store or you're stocking a newly release VUETRADE product we will actively market the event to your local area on social media.

Timber Connectors Discount

We offer different discount structures in return for your loyalty and commitment to our entire range of Timber Connectors.

Website Enquiries Directed To Your Store

Enquiries we receive from end users in your area via our website will be directed to your store as a Platinum Distributor in their area.

1 FIS Order Of Any Value Per Month

We know sometimes you need something in a hurry. And trying to make up an order to meet FIS is a hassle. So for those occasions, once a month you can place an order under minimum and receive free shipping.

Store of the Month

If you wish to participate, we will conduct a quick interview with you store and feature your store on our website and social media marketing giving your store additional exposure.
